

PR STRATEGY

FOR KSUM

Why we need a PR strategy?

Without any kind of promotion, we can not expect people to start talking about us.

- PR helps to improve brand awareness

PR helps to establish stronger bonds with our existing stakeholders, as well as attract new ones.

Attract investors

Whenever a stakeholder is thinking about Startup, We should give all the potential to conquer the market.

PR helps us to build trust

One of a PR strategy goals is to help us establish a solid brand identity and that reflects our mission's value.

PR STRATEGY

- How we can Create a PR Strategy?

Either we can hire a PR agency to do it for our mission or we can do it ourself.

Public Relations Activities which We follow Now

- Achievements
 - Recognitions
 - Milestones
 - Events
-
- Pre PR (Announcements of events)
 - Post PR (Conclusion of the events)

PR strategies which we can implement

1. Series in Different media (Specialised Columns)
2. Gather National media attention

PR strategies which we can implement

3. Create a media Community
that is exclusively for Startup Mission

4. Bring up International Media delegates to Kerala, and makes
regular contact with them for Inc attention.

5. Media liasoning through the exclusive media community
which we made for startup mission

PR strategies which we can implement

6. Special features on special days

- Agriculture day
- Earth Day
- Women's day

PR strategies which we can implement

- 7. Arrange sessions with celebrated Startup entrepreneurs,
- Mainstream media will interested to do exclusive interview with them.
- 8. Startup Awards to different fields.
- 9. Schedule our news early.
- 10. District level media coordination.
- 11. Give exclusive news, features and interviews to all media.
- 12. Publish periodical round ups on our achievements through social media.

PR strategies which we can implement

- 13. When we are announcing a milestone, recognition or achievement, just give a background story of the item.
- 14. Arrange interactive sessions with selected media persons.
- 15. Try to get extra coverage through specialised magazines.

THANK YOU
