Achievements

Multichannel promotions spread across various media outlets and selected campaigns based on audience targeting

Innovation grant scheme

Highlights

- **Content Highlights:** 18+ graphical creatives and videos produced.
- **Media Partnerships:** Collaborated with FM channels for extended outreach.
- **Engagement Activities:** Conducted online and offline doubt-clearing sessions with high public participation.
- **Custom Creatives:** Ad copies optimized improve conversion rates.
- Reached **7,78,797** unique users on Facebook & Instagram.
- Received **1670** applications, including **1043** aspiring entrepreneurs.

Achievements

Tackling the Stray Dog Menace

Another campaign was for Tackling the Stray Dog Menace in Kerala. An out-of-the-box Social Media Campaign(UGC) was planned as part of the hackathon. By the end of the campaign we received around **150+** unique ideas from startups and the general public

TechXpedition

Highlights

- TechXpedition across India (August 8–24, 2022) as part of She Loves Tech India competition.
- Diligent social media campaigns by KSUM.
- Focused on raising awareness about She Loves Tech and KSUM's role.
- Significant participation and applications for the competition.
- Highlighted opportunities for women entrepreneurs.
- Fostered a diverse, engaged community across major Indian hubs.

Moment Marketing

Moment marketing was used to leverage timely trends, cultural moments and popular conversations to expand audience reach. This approach improved brand relevance, strengthened audience connections and increased engagement by positioning campaigns within conversations people were already following.

Scalability Potential Of The Project

Enhance Partnerships:

Strengthen collaborations with industry stakeholders, influencers, and media channels to amplify outreach and share resources for cost-effective scaling.

Invest in Analytics:

Use advanced analytics tools to identify successful tactics and scale them to broader audiences while ensuring real-time optimization of campaigns

Tap into KSUM's Ecosystem:

Utilize KSUM's innovation centers, incubators, and networks to facilitate on-ground expansion and engagement with startups in new areas.

Replicate Best Practices:

Implement proven strategies (e.g., visual storytelling, interactive engagement) in similar projects, ensuring consistent impact across diverse initiatives.

Develop Scalable Content Formats:

Focus on universally appealing formats like infographics, short-form videos, and explainer animations to ensure adaptability across various audiences and platforms.

Achievements

Huddle Global 2025

The campaign delivered strong multi-platform visibility and engagement, with 684 social media posts published across Facebook, Instagram and LinkedIn during the campaign period. Facebook generated a reach of 80,192, Instagram achieved 743,923 reach and 1.85 million views, while LinkedIn generated 572,488 impressions and 30,979 link clicks. The campaign also recorded 19,109 Instagram interactions and 2,739 Facebook interactions, demonstrating sustained audience interest. Paid Meta promotions further generated 518,069 ad impressions, 286,156 unique reach and 18,745 website visits/actions, strengthening the campaign's role in driving awareness and audience action.

Impact:

- Captured local community interest and sparked enthusiasm.
- Ensured widespread visibility and engagement from individuals and organizations
- 3000+ registration for the event with 90% new participants
- Create a buzz among aspiring entrepreneurs, instilling in them the urge to start in Kerala

Startup Features

1. Startup Stories: More than 50+ startups annually

2. Awards and Recognition: Publicizes awards and accolades received by startups to boost their visibility and credibility.

3. Product Launches: Promotes new product launches or service introductions for startups, enhancing their market reach.

4. Special Promotions:

- Highlights women-led startups on Women's Day to encourage diversity and inclusion.
- Promotes tech-driven startups on Technology Day, showcasing cutting-edge solutions.

5. Community Engagement: Organizes campaigns, contests, and interactive sessions to foster community involvement.

6. Free of Cost Promotion

7. Event Coverage: Provides real-time updates, announcements, and highlights of startup-related events like expos, conclaves, and summits.

“

I see a lot of youngsters; they want to work on Saturday, Sunday with people who are poor or who require help. The newer generation has become much more magnanimous. So, I think there's a very bright future for philanthropy in the coming years.
